THE FLORIDA COLLEGE SYSTEM

Welcome President Gregory Adam Haile

Seventh President of Broward College

He assumed the role on July 1, 2018

President Haile served as the general counsel and vice president for public policy and government affairs of Broward College from 2011 to 2018.

A first-generation college graduate, he received his undergraduate degree from Arizona State University and his Juris Doctor from Columbia University School of Law. During the summers he teaches at Harvard University.

Eleven International Centers in ten countries have been created. These have all been approved by SACSCOC as “off-site locations” of Broward College, and are recognized within the scope of the College’s regional accreditation.
