FINISH THERE

SUCCEED ANYWHERE!

Types of AS degrees for are aviation (pilot & mechanic), nursing and other health science programs*, graphic arts, accounting and business.

At the conclusion of the AS degree, many students get a one-year job in the USA under the OPT program (optional practical training) before returning to your home country.

*Health Sciences programs require certain prerequisites before being admitted.

ACADEMIC PROGRAMS

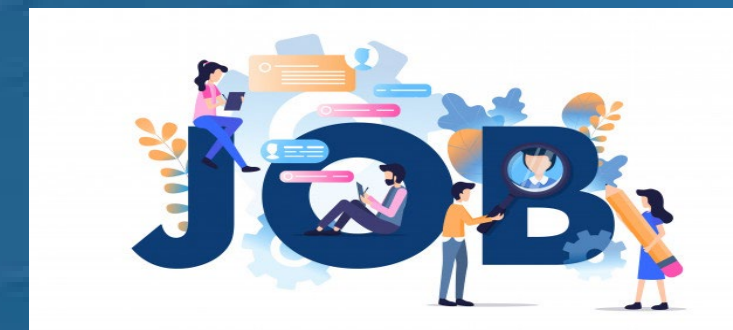

Associate of Arts Degree (2+2)

START HERE

FINISH THERE

SUCCEED ANYWHERE!

The Associate of Arts degree (AA) is designed to seamlessly transfer students to a four-year institution or enter a bachelor's program at Broward College. This is known as the 2+2 plan.

The AA degree program includes 36 credit hours in General Education and 24 credit hours in designated elective courses, including the beginning courses of your major.

SUCCEED ANYWHERE!

If your BC international does not have the transfer major you want, you can transfer to BC Florida after one year to complete your AA degree and then transfer to either a Broward College bachelor's degree or to a university.

The AA degree not only saves you \$ but you can get two years OPT – one year after your AA degree and another after your bachelor's degree.

2+2

Study with us for 2 years and then transfer to any of the 12 state universities in Florida or one of the other universities BC has an agreement with such ASU, UK, and more.

THE PRESIDENTIAL SCHOLARSHIP!

The Presidential Scholarship is a tuition waiver that covers tuition for up to 60 upper division credits (3000-4000 level) towards the completion of a BS or BAS degree at Broward College, Florida.

HOW DO I QUALIFY FOR THE PRESIDENTIAL SCHOLARSHIP?

1. Current BC students or former students who have graduated from a Qualified International Center which has been approved by (SACSCOC) to award Broward College AA or AS degrees;
2. Have a GPA of 3.25 or higher in the Broward College AA or AS program
3. Submit a statement to the International Center of commitment to complete the Bachelor of Science (“BS”) or Bachelor of Applied Science (“BAS”) within two years from the date of enrollment at BC in Florida, and explaining their choice for the course of study, significance of the scholarship to the applicant and their future plans/goals.
4. provide a minimum of two faculty recommendations;
5. Provide evidence to demonstrate the applicant’s financial ability to live in the US (US\$12,500) either on their own or if the applicant intends to live with a friend or family member in Florida,

The International Center shall conduct an open and transparent application and selection process to identify the best candidate for submission to the Greene Institute.

International Centers shall submit their one (1) recommended candidate for the scholarship at least three (3) months prior to the start of a term of study at Broward College in Florida.

The award of the Scholarship by Broward College to the successful candidate does not guarantee that the scholarship recipient will be granted a US visa or admission into the program of study.

All US visa applications are solely decided by the US Embassy or Consulate General situated at the International Center's location.
