

Association of College  
and University Educators

A credentialing opportunity for Broward College International Partners

During times of uncertainty and hardship,  
**quality learning** has never been more important.

# What is ACUE?

**ACUE's mission is to ensure student success through quality instruction.**

We believe that every faculty member deserves the support and preparation needed to teach well, so that every student receives an extraordinary education.

In partnership with institutions of higher education, ACUE prepares, credentials, and provides on-going support to faculty in the use of evidence-based teaching practices that promote student engagement, persistence to graduation, career readiness, and deeper levels of learning.
