

Broward College International Education Institute

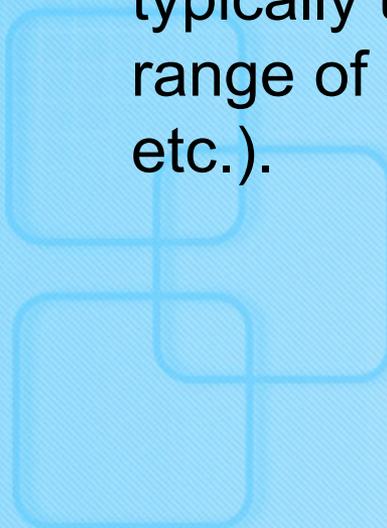

Active and pending programs, affiliates and centers

July 2015

ACADEMIC AFFILIATE

- At the **Academic Affiliate** level, institutions are authorized to adopt and utilize the same academic programs and courses that are offered to students at Broward College in Florida. Additionally, institutions benefit from biannual on-site support visits by relevant Broward College faculty and/or staff. Site visits are typically up to one week in duration and cover a wide range of possible activities (training, advising, teaching, etc.).

International Centers

- The **International Center** level is the highest level of partnership and is significant because the academic program or programs offered at the partnering institution have been approved by our regional accrediting body, the Commission on Colleges of the Southern Association of Colleges and Schools (SACSCOC). Students become official Broward College students and their coursework will appear on a Broward College transcript.
- 
- 

International Centers

- Once they successfully complete their program requirements, they earn a Broward College Associate's degree. Students and approved faculty have the same access to online library and online databases and our learning management system. Biannual support and oversight visits by Broward College faculty and staff are also provided to the institution.
