Title: Sustainability in Student Services	Number: 6Hx2-5.29
Legal Authority: Fla. Stat. 1001.64	Page: Page 1 of 1

GENERAL STATEMENT

Broward College (“College”) recognizes its community responsibility to educate and model sustainable practices for our students, and to assist students in understanding the impact of the personal and collective decisions on matters relating to sustainability, including environmental, economic and social aspects. The purpose of this policy is to assure consideration of sustainability factors in all student services practices.

THE POLICY and THE STUDENT

The campus student life offices shall conduct programs that educate and/or allow students to directly participate in campus or community initiatives that promote sustainability.

The Environmental Sciences department, with the support of Student Life, will administer a Graduation Pledge at the commencement ceremony, promoting the values of sustainability.

THE POLICY and THE FACULTY AND STAFF

The campus student life offices shall conduct programs that educate and/or allow students to directly participate in campus or community initiatives that promote sustainability. The Environmental Sciences department, with the support of Student Life, will administer a Graduation Pledge at the commencement ceremony, promoting the values of sustainability.

IMPLEMENTATION and OVERSIGHT

The President has the authority to establish procedures to implement this policy. The Associate Vice Provost for Student Life & Ombudsperson under the direction of the Vice Provost for Student Services, has responsibility for the implementation and oversight of this policy.

DEFINITIONS

Sustainability: a sustainable campus, community or society is one where a balance between environmental concerns (planet), concern for individuals (social) and economic concerns (prosperity) is reached and maintained. This is sometimes known as the Triple Bottom Line (planet, people, prosperity) or the 3-Ps of sustainability.

History: Adopted January 26, 2010; revised February 27, 2018; revised August 13, 2019.
