Administrative Leave With Pay: At the College’s discretion, an employee may be placed on Administrative Leave With Pay by the President or their designee, while employment actions are being considered, or in other instances, when said leave is determined by the President in their sole discretion, to be in the best interests of the College. Employees will be notified in writing of such leave. Employees shall not accrue vacation or sick leave hours during an Administrative Leave With Pay.

Administrative Leave Without Pay (LWOP): Administrative Leave Without Pay (LWOP) is a temporary non-pay status and absence from duty. Granting LWOP is a matter of supervisory discretion and may be limited by departmental policy. Employees shall not accrue vacation or sick leave hours during an Administrative Leave Without Pay.

Bereavement Leave: May be used if the death is a family member defined by the Sick with Pay section of this procedure. Bereavement leave is charged to sick leave. Full-time represented employees should refer to their applicable Collective Bargaining Agreements.

Court Related Leave: The President and/or their designee may approve vacation or personal leave with pay when an employee is engaged in personal litigation and if the employee has available accumulated hours. If the employee does not have any available accumulated hours, Personal Leave Without Pay may be considered. When involved in a personal litigation on behalf of the College or because of action in the line of duty as an employee, the College personnel shall be considered on duty and shall turn over to the College any fees received from the court. An employee subpoenaed in the line of duty to represent the College shall be considered functioning within their job assignment and will be paid per diem and travel expenses accordingly. An employee who receives a subpoena to represent the College shall notify their supervisor of the subpoena immediately.

Domestic Violence Leave: Employees who have been employed by the College for three (3) or more months are entitled to three (3) days leave in a 12-month period if the employee or a member of the employee’s family or household is a victim of domestic violence. Domestic Violence Leave is charged to sick or vacation leave. If the employee has no accrued leave, Domestic Violence Leave will be coded as Leave Without Pay. The employee must provide the supervisor and the College’s Benefits Department with advance notice of the leave, except in cases of imminent danger. Pursuant to Florida law, this documentation is confidential and exempt from Florida Statute 119. The employee may be required by the College to provide documentation of the act of domestic violence for which the leave is needed.
