In accordance to Broward College Substance Abuse Policy and Procedure [6Hx2-5.18](#), Broward College students may not be impaired by alcohol or drugs or in possession of illegal drugs or alcohol while on College property or while participating in College sanctioned activity. Students whose behavior is impaired by legal drugs are also subject to this policy.

As specified in the Program Guidelines for certain programs at the College, students and applicants to the College may be subject to a drug screening prior to, or if circumstances warrant, during the time of their enrollment at the College.

If a student is required to submit to a drug screening by the dean of students based on behaviors that indicate the use of drugs or alcohol which impairs their ability to perform in their academic program, refusal to submit to such a drug screening will be treated as a positive test result. The College retains the right to dismiss a student from the College or from a specific program, in accordance with the Program Guidelines for that program.

In addition, Broward College faculty and staff need to abide by the Drug Free Workplace Policy and Procedure [6Hx2-3.05](#). As a condition of employment, employees shall:
