

Procedures for Exposure to Bodily Fluids

BIOHAZARD

- 1) If the incident constitutes an emergency, immediately **call 911**.
- 2) Call the Broward College Campus Safety Department at **954-201-HELP (4357)** for ALL exposure incidents.
- 3) **DO NOT TREAT person(s) or touch anybody fluids unless Personal Protection Equipment (PPE) is worn.** PPE includes eye safety glasses, face mask and disposable gloves. Disposable PPE or other items exposed to body fluids are discarded in specially marked **BIOHAZARD "RED" bags**.
- 4) The exposed individual must complete the Florida College System Risk Management Consortium incidents Report.
- 5) Campus Safety must complete a Campus Safety Incident Report on all exposure incidents.
- 6) Anyone exposed shall be afforded treatment for hepatitis or HIV.
